

***The Sunburst will be played over 54 holes
Using the POINT-QUOTA System***

Friday

Each player will play his own ball. The quota will be based on the player's handicap subtracted from 36. Handicaps will be figured based on 100% of your USGA handicap, with a maximum handicap of 22. The team total will be the sum of the two players.

Double Bogey	0 points
Bogey	1 point
Par	2 points
Birdie	3 points
Eagle	5 points
Double Eagle	8 points

Saturday

Each player will play his own ball. The quota will be based on the player's handicap subtracted from 36. Handicaps will be figured based on 100% of your USGA handicap, with a maximum handicap of 22. The team total will be the sum of the two players. (Players quotas will be adjusted by 50% up or down, based on first day score)

Sunday

Each player will play his own ball. The quota will be based on the player's handicap subtracted from 36. Handicaps will be figured based on 100% of your USGA handicap, with a maximum handicap of 22. The team total will be the sum of the two players. (Players quotas will be adjusted by 50% up or down, based on second day score.)
